

Our Monthly Newsletter

Welcome to our new monthly newsletter. Designed to give you all the latest information about Brundall Home Hardware. Look out for details of special offers and Andrew's Top Tips.

Changes in Store

It is almost a year now since we changed our name to Brundall Home Hardware. What a year it's been. You cannot fail to notice the changes in store that our new look has inspired.

The main change was the introduction of new cookware lines from quality suppliers such as Judge and KitchenCraft. We have been delighted at the response that this has generated from our customers and as a result we have been able to further expand the range. Unable to see what you are looking for—please ask. It is more than likely that we can order a line specifically for you and offer it at a price more attractive than some of the major city stores.

Andrew's also been busy changing the look of the store with many areas being redecorated and refreshed. Why not take a look at our extended haberdashery and knitting department? We think we now cover most requirements.

We also hope that you will have noticed the many special offers and discounts that we have now been able to introduce. We are confident that you will find our promotional products offered at prices more competitive than the larger DIY and gardening stores.

Our 16 page Spring Gardening and Homewares brochure will be delivered in April to 3500 households in the NR13 5 postal district. Look out for yours to take advantage of many of the special offers in store.

Garden Centre

In the garden centre we have improved the display stands to make it easier to select plants. With great local plant suppliers we are confident that we can offer something unusual at competitive prices.

For members of our 2013 Gardeners Club there is more good news. Due to the inclement weather during the

past two months we have decided to extend the discount offer on primroses. This will now continue throughout April whilst stocks last. There is still also time to join the club to take advantage of special offers and free gifts. Limited to 200 customers only.

Special offer on Primroses by joining our 2013 Gardeners Club. Ask staff for details.

Gardeners Club April special offer. 50p off all weedkillers.

Members only offer.

50p off

Newsletter April 2013

Diary Dates

Easter Opening.

We will be closed Good Friday, Easter Sunday and Bank Holiday Monday. Normal opening hours on Easter Saturday.

Charity Car Wash

13 April 2013—see reverse

May Day Holiday Promotion Weekend. 3rd / 4th May 2013.

Join us for a special weekend of gardening promotions and special offers. Refreshments available. Our suppliers have helped us to reduce our prices of selected lines for these two days only. Don't miss out.

Points of Interest

- We can fill your summer hanging baskets and pots. Drop them in store now and collect them fully planted from mid May onwards.
- We carry a wide range of vacuum cleaner bags. Save time and money and buy these locally.
- Latest recorded date for a frost in Norfolk is early May. Protect tender plants until then. We sell fleece for this purpose. Easy to use and inexpensive!
- A new generation of LED light bulbs is emerging into the market. This technology is fantastic but a little pricy. We will introduce a range when the price is right.

Andrew's Top Tip

I'm always being asked for ways to clean up the grout on bathroom tiles. There are a number of options ranging from the easy to the more complicated. I always recommend the simple approach and that is to spray ceramic tiles and grout with HG Mould Spray. This will clean the brown and black marks

from your grout with very little effort. It will also help remove mould from silicone seals although if the mould has got behind the seal this will not work. So why not call in store for a very easy solution to sprucing up your bathroom this Spring?

HG Mould Spray £5.79 500ml

Home delivery service available on purchases over £15.00. Deliveries to Brundall, Postwick, Blofield, Blofield Heath, Strumpshaw and Lingwood. Deliveries at a mutually convenient time. Deliveries will not take place in icy conditions.

Seed Potatoes

Now is the time to start thinking about planting seed potatoes. These can be bought in store by the bag or loose.

Place your potatoes by a warm window to help them start to shoot. When they have started to shoot reduce the number of shoots down to 4. Picking the strongest. Plant them in well cultivated soil approx 30cm apart. In time your potatoes will produce vigorous growth. Harvest when the leaves start to die back. Just dig enough for each meal and enjoy.

No room to plant potatoes! No problem.

Grab an old bucket and drill a hole in the bottom. Fill with a general purpose compost and plant two potatoes in the bucket. Keep well watered. Again harvest when the leaves start to die back. This is a great idea for growing potatoes with children as they can really get involved and enjoy the results.

Charity Car Wash Saturday 13 April

At Brundall Home Hardware we like to support charity fund raising efforts. Earlier this year we were approached by a villager Rory Marsden to see if we could support his charity cycle ride to Paris this August to raise money for World Cancer Research Fund. He needs to raise a minimum of £1400 to take part.

Putting our heads together we thought that a charity car wash at Brundall Home Hardware on Saturday 13 April may help to raise funds and the profile of Rory's fund raising efforts.

So why not bring your car along on Saturday 13 April between 10.30am and 1pm so that Rory and his dedicated team of car washers can work their wonder on your vehicle. Rory is looking for a donation of £6.00 for a wash and shine. Please feel free

to donate more if you like!

World Cancer Research Fund works globally to help reduce the risk of cancer. If you require more information please telephone Rory on 01603 717239.

Please support this event.

Parking

A group of businesses in Brundall have been looking at ways to help improve the way in which we jointly provide our services. With the support of Brundall Parish Council and Broadland District Council we hope to introduce changes and improvements during the coming year.

Thanks to the efforts of Broadland District Council the public car park has been tidied and the two hour parking restriction has now been lifted. It is hoped that this will make parking a little easier.

Worried about carrying bulky items to your car from Brundall Home Hardware. Why not select your goods in store, collect your car and park at the rear of our store? We will be pleased to load your vehicle for you.
