### Diary Dates

**Mothering Sunday**  
15th March 2015

## New Season Stock — and lots of it!

This year we are really going for it. Lots of early season promotions and lots of new stock. Look out for the many new lines that we have introduced.

As you will no doubt be familiar with we are able to offer a number of discounted offers on our stock throughout the year. This is mainly due to the special prices we can obtain through our membership of Home Hardware. Indeed, many of our promotional prices will be better than you will find in many larger DIY stores and garden centres.

To showcase these special offers we distribute brochures around Brundall and surrounding villages. The latest promotion on Spring DIY has been well received and we are delighted to welcome many new customers.

Not wishing to let the grass grow under our feet (if this did happen we have products in stock to treat the problem), we have now embarked on getting ready for our Spring Gardening

promotion. Experience has taught us to get the stock in promptly for this promotion as many customers are looking for a bargain early in the season. So please take a look round the garden centre as many of our core lines are already on display at the discounted price.

In fact the delivery of this stock took place late February. It took hours to unpack and days to place on the shelves. This is the largest single delivery of stock we have ever taken.

The picture shows the scale of

the problem when the stock arrived. Most pallets were over 6' high (1.8m for younger readers).

Some great news lines in garden chemicals, ornaments, watering solutions, and lighting. Plus this special offer!

7L Dulux Emulsion £13.99

We have a delightful selection of Mother's Day cards in stock together with gifts for the special Mum. Our selection of jewellery, handbags, scarves and purses have proved popular.

Don't forget we will be making up a range of Mother's Day baskets. Place an order for yours now. Prices from £9.99.

## Wonderful Daffodils

These Cornish beauties have been popular this year. Either as a gift or a little bit of pure spring delight indoors.

Priced at £1.00 a bunch or 3 bunches for £2.50.

Different varieties will be available during March.

## “Paint your Wagon” — or rather your shed and fences

We have some great deals on shed and fence paint, from popular brands such as Ronseal and Cuprinol.

Our favourite is Ducksback from Cuprinol on sale at only £11.99 for 5L. As at the time of writing (28 Feb 2015) this is being sold on-line by B & Q at £16.98 and Homebase for £16.99. We are also selling 5L Fence Life at £5.99. B & Q £13.73 and Homebase £11.99.

During March we expect to take delivery of a brand new range of Ronseal garden paints. This will paint almost any surface, wood, metal, pottery etc. We hope to try it out on some of our sheds and display stands. A great way to add a splash of colour to the garden.

Home delivery service available on purchases over £15.00. Deliveries to Brundall, Postwick, Blofield, Blofield Heath, Strumpshaw and Lingwood. Deliveries at a mutually convenient time. **Deliveries will not take place in icy conditions.**

**Take a look at the [www.visitbrundall.co.uk](http://www.visitbrundall.co.uk) web site to find out what's going on in and around the village.**

Wish to make a contribution to the site, either a local article for the blog or details of an event then please email [brundallhh@btinternet.com](mailto:brundallhh@btinternet.com). Or speak to Andrew at Brundall Home Hardware.

## Andrew's top tips. Best ways to remove green algae.

We are frequently asked about the best ways to remove green algae from outside surfaces. You know the stuff - it creeps all over paths, fencing and sheds etc.

Traditionally the way to do this was to use a stiff broom and plenty of scrubbing. Some people used bleach but this risks damaging surrounding plants. Other methods include using a pressure washer.

This latter approach is effective, but you do risk removing the pointing between patio slabs and thus creating a bigger problem. Not a good idea for brick weave drives as this will remove the fixing sand.

Over the past few years we have been selling a couple of products designed to simply kill off the green algae and leave your surfaces nice and clean.

The most popular treatment has been **Patio Magic** but there are other products such as HG Patio Cleaner.

They are very simple to use. Dilute the solution in either a watering can or pressure sprayer and apply

to the affected area during dry conditions. A few days later the algae is gone without all the huffing and puffing.

We have a number of other products that work in a similar way so please call in store and review the range.

We also carry a number of brushes for removing the weeds between paving slabs and brick weave. No bending or pulling up weeds just use the long handled brush between the joints.

**Another top tip. Do not stain fences and sheds until you have removed any algae. Your stain will simply not last and will eventually fade from the affected areas. Wasted time and effort.**

## Small Electrical Appliances

**We've always stocked them, but many customers are unfamiliar with this fact.**

Our recent promotion leaflets have highlighted the fact that we stock a wide range of small electrical appliances. From kettles, toasters, irons to microwaves.

In fact we have been surprised at the need for new irons and kettles in and around Brundall over the last few weeks. Perhaps it has something to do with the special prices that we have offered these products at.

Airwave Low Fat Air Fryer  
£44.99

So the next time you need a small electrical appliance think of us.

We carry many popular brands such as Russell Hobbs, Morphy Richards, Tefal, Judge and Kenwood. You can be assured of quality products at Brundall Home Hardware prices.

Don't forget to dispose of your old small electrical appliances at your local recycling centre.

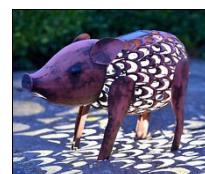

Steam Iron Ceramic Sole Plate  
Purple £24.99

## Solar Lighting

**Some great new lines in store from Smart Solar. Just imagine these in your garden.**

**Owl priced at £14.99**

**Pig Priced at £24.99.**

Notice the way in which the light shines through the fretwork of the ornament to create this fantastic night time effect.

Lots more solar products now in stock. Including replacement batteries.

We carry a wide range of Dylon products from a full range of colours to Colour Catchers and Colour Run Removers.

Have you got a favourite top which needs it's colour refreshing? Then call in store to pick one of Dylon's great colours and revive your clothing.

**My work trousers regularly get the blue treatment.**
