## Glow your Number

### Can your property be found in an emergency?

This is a question that has been raised by the Brundall First Responders Team. They frequently have to visit properties, particularly at night, and they struggle to find their destination.

In a rural area we do not necessarily have regimented streets with clear house number sequencing. This means it can be difficult for those looking for your property.

Even if you do display a house number or name it may be obscured by plants or poorly lit so it is not

identifiable after dark. This may be good for deterring unwanted visitors but perhaps think about that emergency situation. Those precious minutes following say a heart attack, could mean the difference between life and death. Your First Responder or Ambulance driver may be in your road but just cannot find your house!

To help with highlighting this issue we are supporting Brundall First Responders with their "Glow your Number" campaign., This is all about making sure your property can be identified.

Over the coming months we will be supporting this campaign with information leaflets, social media posts and some special offers.

Working with our specialist supplier in house numbers, the House Name Plate Company we will be

offering a significant 20% discount on their prices. This offer is available until the end of October 2015 and can only be obtained on orders placed in store at Brundall Home Hardware. Call in store today to obtain your brochure.

Other offers and discounts include Draper secateurs priced at only £2.50 to help prune your plants and solar flood lights at only £19.99. An easy to install lighting solution which will even work during a British Winter. There's no excuse not to be seen.

## Newsletter September 2015

### Andrew's top tips. Plant Clearance

It's the end of the summer season and we have a number of plants which could do with a good home before the autumn sets in.

So call into Brundall Home Hardware on Friday 11th September and Saturday 12th September 2015 where you

can obtain a real bargain. We will be offering **50% off** most plants. In fact all plants excluding new season winter stock—pansies, violas, cyclamen, primulas, seeds and bulbs.

So this is a real opportunity to secure a bargain. We have a good selection of perennials, fruit trees, conifers and shrubs on offer. How about a hydrangea at half price? £7.49 instead of £14.99.

Around the garden centre we also have a number of ceramic pots on offer. We have managed to buy these ourselves at end of season special prices and these discounts are now available to you. (The special offers on pots is not limited to the 11th and 12th September).

## Rug Doctor

One of the busiest times of year for carpet cleaning is the autumn.

Many of us are now thinking about getting the home ready for winter and turn our attentions to inside jobs. Carpet cleaning is no exception.

With the hire of our Rug Doctor carpet cleaners you can make a real difference to the look and feel of your carpets.

The results from this system can be truly remarkable. The amount of dirt that is gathered in the machine once you have cleaned your carpets can be horrifying.

If you have areas of heavy staining the Rug Doctor system includes a number of pre-treatments which can help improve the effectiveness of your cleaning even further. Of particular interest is a

pre-treatment designed to remove those dark marks in heavy traffic areas.

A top tip before using the machine is to gently lift the pile with a very clean hard brush or broom. This will help the cleaning action get further down into the pile of the carpet.

Machine hire is very popular. Priced at £22.99 for 24 hours hire why not book a machine today?

### Trish

**As you will know David retired at the end of August after 15 years service to this shop. We wish him well in his retirement.**

*Patricia (Trish) Skyring has been working in a support capacity for a couple of years.*

*Covering holiday and sickness. We are delighted that Trish has agreed to work with us on a more formal basis to cover David's hours.*

*Alison and I are looking forward to working alongside Trish and we are confident that she will enjoy being a part of our "family" team. Please join us in welcoming Trish in her new role.*

**Welcome Trish**

### New Season Seeds

**We've taken delivery of our new seed stock.**

Every year Mr Fothergill's and Johnson's refresh our entire seed stock. Old stock is removed and destroyed.

This means that you can expect the highest quality and the most popular seeds at Brundall Home Hardware.

We have also introduced a new collection of seeds from Sarah Raven. These include flowers which are attractive to wildlife.
