The Gift of Christmas - 19th December

10 years of Christmas events to be celebrated at Brundall Home Hardware.

In December 2006 we held our first Christmas event on a very foggy Saturday just before Christmas. Lots of delights, including Father Christmas and real reindeer. A real village event was created.

Now in 2015 we are preparing to celebrate that special Christmas message with our 10th seasonal gathering.

As usual we will have all of our star attractions, Father Christmas, his real reindeer, face painting, refreshments etc. But this year we have some additional entertainment for you.

We will have two Rockin' Robins entertaining us during the afternoon together with carol singing from Brundall Scouts.

The Rockin' Robins have been kindly sponsored by Creative Arts East and we are very grateful for their contribution to this event.

As an extra treat we will also have some craft activities for the children. A chance for a little seasonal creativity.

Refreshments will again be provided by a team of dedicated volunteers from St Laurence Church. Thank you to Peter and his team for their on-going support.

Face painting will be available under the excellent direction of Debs Snowling. Special thanks to the Acle and Brundall Lions for their support.

All attractions on the day will be free of charge but please do feel free to make a generous donation to support the work of the Vidiyal Trust.

Why the Gift of Christmas?

mas?

We like to acknowledge the very special Christmas message which is all too frequently lost in the hustle and bustle of shopping and preparations.

As a shop we also need to be involved in this process and the Gift of Christmas event is just our way of saying—it's not all about commercialism.

To hear more about the special Christmas message why not join in one of the local church services?

This event is also a great way of supporting the Vidiyal Trust. So thank you for any donations.

A Seasonal Poem

The shops turned upside down again,
The mops are back in the garden.
We're often not sure where everything is,
For this we beg your pardon.

That magical time called Christmas is here,
We've lots of great treats in store.
Baubles, tinsel, Christmas trees
Yankee Candle scents you'll adore.

So just one more thing to add
As the Christmas season draws near.
We wish you all a Merry Christmas

And a very blessed New Year.

Wrapping paper, gifts and bows,
A wealth of Christmas lights.
Socks, hats, gloves and scarf's,
To keep you warm on winters nights.

There's gifts for everyone in store,
We hope that you'll agree.
So come on in and take a look
There's so much more for you to see.
