

## Our Monthly Newsletter

Thank you for taking the time to read this newsletter. We hope you find the content interesting. All back issues can be located at [www.brundallpetandgardencentre.co.uk](http://www.brundallpetandgardencentre.co.uk).

## A shuffle around!!!

Thankfully our annual stock take is now behind us. It's now time to tidy up the shop and get ready for 2016. Lots planned.

Over the next few weeks you will start to see some changes to our in store displays. We intend to tidy up the front end of the shop to improve the displays of ironmongery, electrical, lighting bulbs and wild bird food. The stands are all ready we just need to get on with the job. There will inevitably be some disruption during the changes and we would just ask for your understanding as we make these

improvements.

I've also been talking to my tool suppliers. We may well make some changes to this display. Faithfull is a range of affordable quality tools supplied to us via Toolbank. We have been pleased to stock this range for a number of years and have noticed that the product offering keeps on expanding. We will be adjusting our displays to take a wider range of Faithfull tools. Other popular brands such

as Stanley will remain.

Our pot supplier has also been busy working with us. During February we will have a new and exciting range of glazed pots delivered. Woodlodge our supplier will be developing our stands in the garden centre so that we can display the new range to its maximum effect. We also have a few ideas of our own to make the garden centre displays more accessible. So a busy month planned and we hope you will enjoy the improvements.

Your feedback is always welcome.

## Yankee Candle—Candle of the Month

Perfect for Valentines Day

**25% off the RRP**

## Newsletter February 2016

### Brundall Coffee Shop

We understand that Brundall Coffee Shop will once again be opening it's doors in the centre of the village.

I know that Neil and Nikki are working hard to get their new venture up and running during February.

We wish them every success for the future as we believe that this new business will be a real asset to village life.

Welcome back!

### Spring DIY Promotion

Our spring DIY and Housewares promotion is now underway. During this month you should receive through your letterbox one of 10,000 leaflets we will be distributing. The leaflet is packed full of special offers and promotion prices on big brands.

So next time you are thinking about travelling into Norwich for one of the big superstores take a look at what's on offer at Brundall Home Hardware. You could be saving more than just your petrol costs.

## Andrew's Top Tips - Are you sitting comfortably?

**We have lots of customers calling in to talk about their toilet problems. I mean from a blocked toilet, to problems with a broken seat. We can help in most cases.**

If your toilet seat is broken then we have a range of wooden and plastic seats which may help as a complete replacement. But sometimes a simple repair is all that is needed. We keep a range of replacement hinges for both wooden and plastic seats. Simply carefully remove the broken seat, lay this out on the floor and using the existing layout of hinges as a guide replace them with the new set. If you experience problems removing rusty fixing screws from the existing hinge, spray with a product such as WD40 which will help to free the rust. If this fails you will need to remove the screws with a junior hacksaw. Protect the porcelain with masking tape before doing this. It's not always possible to get to clean the pan where the hinges fix. So don't forget to clean the porcelain with bleach before replacing the seat.

When replacing the seat be careful not to over tighten the hinge fixings. By doing so you may inadvertently place a crack in the porcelain. It needs to be tight enough so that the seat does not move when occupied. For blocked toilets we supply a range of specialty plungers designed to fit down the pan and push the blockage through.

## Spring Colour

Spring seems to be a little early this year with many flowers in full bloom during January. But why not add some additional colour to your garden or window ledge with our range of spring plants and potted bulbs?

The garden centre is starting to fill up with a selection of different bulbs. Potted tete a tete are a firm favourite as are snowdrops and hyacinths. During the month we will see lots of potted primroses on display, including the ever popular pack of 6 natural primroses for just

£2.75.

Perennial plants such as Saxifrage and Aubretia are popular for ground cover. These plants are only around for a few weeks and every year we have customers asking for them once stock has sold. So if you plan to give your garden a splash of spring colour please do call in now to see what's on offer.

## Revised Loyalty Scheme

We've updated our very popular loyalty scheme to make it easier for you.

Please ask staff for your new loyalty card which is now much smaller and will fit perfectly in your wallet or purse.

**Collect & Claim**  
Loyalty Scheme

Simply collect  
10 stamps and receive

**£5 off**  
your next purchase

## Bird Food

**It may have been a mild Winter but the birds still need your help.**

We continue to improve the range of our wild bird feeding products. Recently we have introduced a range of new feeders from Red Barn which have been very popular. Stronger and more attractive in design they will help aid your feeding experience. Other new products include the Gardman Suet Cookie at just £2.99. This suet product is packed full of natural ingredients that birds love.
