

## Our Monthly Newsletter

Thank you for taking the time to read this newsletter. We hope you find the content interesting. All back issues can be located at [www.brundallpetandgardencentre.co.uk](http://www.brundallpetandgardencentre.co.uk).

## Enjoy a drink on us!

**We are always being asked where customers can get a cup of coffee.**

Ever since we first opened the garden centre 10 years ago we have been asked by customers if they can have a cup of coffee. We tried installing a dispensing machine but with no seating area this did not really work.

Customers visiting a garden centre do like somewhere where they can unwind and enjoy a little light refreshment.

We are delighted that at long last Brundall once again has a coffee shop in the heart of the village.

This will be a real asset to visitors and a meeting place for local residents.

Neil and Nikki have been working hard these past few weeks to transform the Howards estate agents

office into their new premises. The results are fantastic.

They are offering a selection of your favourite coffees and speciality teas. Add to this their light refreshments, breakfast and lunch menu.

We are sure that all visitors and local residents will enjoy the service on offer.

Well back to our garden centre offering!

To celebrate the establishment of the Brundall Coffee Shop and in recognition that many of our customers would like a local hot drink—we have a very special trial offer for you.

Spend £20 on gardening products from Brundall Garden Centre and we will provide you with a voucher to be redeemed against a £1.50 coffee or a £1.30 cup of tea at Brundall Coffee Shop.

Only one voucher will be issued for a spend over £20 on gardening products. This is our way of saying thank you for your custom and hopefully providing a good excuse for you to try Brundall Coffee Shop.

## Newsletter March 2016

## Andrew's Top Tips - Hide unsightly Mould Stains

**In this section we like to cover topics which we frequently find ourselves discussing with our customers. This month its all about how to deal with mould on walls.**

A topical problem at this time of year due to temperature changes and condensation. However, mould can be caused by wet outside walls, leaky guttering or simply a lack of ventilation. Before treating the unsightly mess left by mould try and establish what is causing the problem. A builder may be required to assess the problem particularly if you suspect problems with guttering etc.

To resolve the internal problem you will need to wash the wall with a mould solution. This will help neutralize any mould spores and help clean the wall. The problem is that mould will most likely stain your wall surfaces. We offer a selection of products to help. Ronseal now have a wide range of paints which can disguise these problem mould stains. Some even help prevent the dampness from coming back.

Once the surface has been treated with one of these products its just a case of over painting with your favourite emulsion. If the problem occurs in either your kitchen or bathroom, condensation is likely to be the problem. To assist with reducing reoccurrence of mould we offer a kitchen and bathroom emulsion. Designed specifically for use in damp environments it will help reduce the likelihood of future problems.

There are a number of solutions to your mould problems. Too many to include in this short article. If you have any questions please do call in store and we will be pleased to discuss our range of solutions.

## Mothering Sunday

**We enjoy offering a range of products for your special Mum this Mothering Sunday.**

We have a delightful selection of cards to help convey that special message of love to your Mum.

In addition we offer a range of gifts to suit all budgets. From a simple posy of plants from the garden centre, to a more elaborate decorative floral basket, Jewellery and Yankee Candles.

So why not pop into Brundall Home Hardware and take a look at our selection of Mothering Sunday gifts?

## Knitting Wool

**Ok. We have no space to display it properly but it seemed like a good idea to expand our range of knitting wools.**

We have now introduced a number of new colours to our double knit range, including some new baby colours. In addition we have introduced a new Arran wool.

A new selection of more modern patterns can also be found in store. So please can you spread the word to all those knitters out there that Brundall Home Hardware is worth a visit.
