

## Our Monthly Newsletter

Thank you for taking the time to read this newsletter. We hope you find the content interesting. All back issues can be located at [www.brundallpetandgardencentre.co.uk](http://www.brundallpetandgardencentre.co.uk).

## New Look Website

**You can't fail to notice that we are always trying to make improvements to our shop.**

Well! We've once again made some refreshing updates to our web site.

The site now has a more contemporary look designed to help you find the information you need about Brundall Home Hardware quickly.

To be really up to date the information on the site has been modified so it works perfectly on all mobile devices including mobile phone and tablet

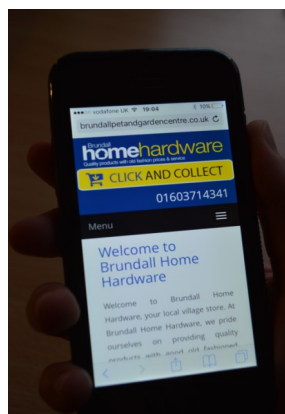

computers.

From the home page you will be able to use the Click and Collect facility. Operated by Home Hardware you will be able to view the many thousands of products that are available in the central warehouse. Order many of these on-line and they will be delivered to us in store for collection. No delivery charges!!!

Products available for Click and Collect will be those listed in one of the many promotions that we are running throughout the year. These are products offered at discounted prices by the Home Hardware buying group nationally.

This is an ideal way to view some of the larger products which we do not have room to display in store. Of particular interest is the extensive range of garden

furniture and garden living products such as BBQ's.

In previous years our customers have informed us that the products on offer are some of the most competitively priced products to be found locally.

Other products will be displayed with a note for you to contact the store for pricing information. Use this service to identify the products available to us and contact a member of staff in store for pricing.

## Newsletter April 2016

### Basket Plants

During April we will start to see summer basket plants come into stock. We will protect these from frost but they are ideal for early planting of hanging baskets.

If you would like us to make up your hanging basket just drop your empty basket into us and collect later in the spring when in full flower.

### Goodbye to Green Algae

The simple way to clean all that green slime from paths, sheds, fences and walls. Dilute Patio Magic into a watering can or preferably a garden pressure sprayer and apply. Avoid run off onto plants. A few days later all the green slime has gone. No pressure washing, scrubbing or sweeping.

On promotion at Brundall Home Hardware — £9.99.

## Yankee Candle—Candle of the Month

**25% off the RRP**

Our two April scents will be on sale from Friday 1st April.

Fluffy Towels and  
Oud Oasis

If you wish to take advantage of this offer please do not delay.

Did you know a large candle will burn for 180 hours?

Not bad at just  
£16.49

Home delivery service available on purchases over £15.00. Deliveries to Brundall, Postwick, Blofield, Blofield Heath, Strumpshaw and Lingwood. Deliveries at a mutually convenient time. **Deliveries will not take place in icy conditions.**

We've expanded our range of composts for this season. More choice and something for every budget.

## Andrew's Top Tips - A new looking lawn

**Right now my back garden lawn is looking pretty grotty. A wide selection of weeds, moss and several bare patches where the Autumn clear up was not that good and the grass has died. I know that many customers will be experiencing similar problems. There are ways to improve the look.**

Just giving the grass an initial cut will make things look a whole lot better. Tidy edges will also help. You can then start to see what needs sorting. My lawn needs a good rake to remove any moss. This will most likely leave very little behind so whilst the soil is still very damp I will shortly sow with one of our grass mixes. This will help re-establish growth.

We sell two mixes. Hardwaring with rye grass at £7.00 per KG and Betterlawn at £7.50 per KG. Sow at a rate of 50g per m2.

Give the lawn a few months to fully germinate and establish itself before starting out on tackling those perennial lawn weeds. The easiest option is a combined lawn feed, weed and moss killer. We have Evergreen products on promotion at the moment.

For really stubborn weeds there are touch on weed killers from Roundup. During the season try to keep your lawn cut regularly. However, in dry periods do not cut too short.

**We have produced a Lawn Care guide to help you maintain your patch of green. This can be found in store or on our web site. Just take a look at the section marked Newsletters.**

## Faithfull Tools

**We are set to increase our range of Faithfull Tools.**

Faithfull Tools is a home brand of quality tools supplied by the largest tool wholesaler in the country - a company called Toolbank who work alongside Home Hardware.

Over the past few years the range of Faithfull Tools has expanded and we have decided to take advantage of these quality products and add a wider selection in store. You will see some changes to our tool display over the coming weeks which will enable customers

to select the right tool for the job. There may be a little disruption whilst we make these changes for which we apologise.

We particularly like Faithfull tools as not only do they represent excellent quality and value but they also carry a 5 year no quibble guarantee. This means that you can buy in confidence knowing that you have invested in a product which will last for years.

## Coffee Shop

### Voucher

Spend £20 in store on gardening products, plants, pots, compost etc and we will give you a voucher for a free cup of tea or coffee to be used in Brundall Coffee Shop.

Have a drink on us!

## Coin Exchange

Brundall Post Office are no longer in a position to exchange coins.

However, as a small shop we always need a steady supply of change so the Post Office have kindly directed customers in our direction.

We are pleased to assist our customers by exchanging bags of coin for notes. However, we are not set up for this on a large scale so we are only able to exchange small quantities at a time. We can also only exchange full bags of coin of the same denomination. For example a bag of £1.00 coins should contain £20.00.

*We may need to review our ability to offer this service.*
