

Our New Look

We've been producing our newsletter for the best part of three years now. We receive lots of positive comments about it but thought that it was time to give the look a bit of a refresh. We hope that you enjoy the new format.

Andrew and Alison.

News in Brief

- Christmas cards now in stock. Do look out for the new designs from Wrendale
- Our Autumn promotion brochure has now been delivered to 10,000 homes locally. Have you taken advantage of some of our seasonal special offers?
- Winter fuels now in stock, coal, smokeless fuel, logs, kindling and Calor Gas.

Planting for Spring Success

Fentongollan Farm Cornwall

Sometimes something really good can come from a little problem.

Due to an oversight our regular spring bulb supplier was unable to fulfill our stock requirements this year. It presented me with a rather difficult, last minute problem. However, from this problem something rather excellent has materialised.

In order to be able to supply spring bulbs this year we contacted Fentongollan Farm in Cornwall from where we purchase our rather magnificent cut daffodils each year. It turns

out that they also supply spring bulbs from their farm and mid September these arrived in store.

We are delighted with the quality of this stock which is grown in the UK. The daffodil range includes some very unusual varieties and we are confident that you will not find some of these in other local garden centres. One of my favourites is a variety called Sunny Girlfriend.

In addition we have a range of Dutch Tulips, Crocus' and Alliums. Oh and don't forget Hyacinths, including prepared varieties.

Prepared Hyacinths are specially treated so that you can plant them in pots indoors during the Autumn and they will flower in time for Christmas. An ideal present or some festive cheer and scent for yourself.

To help with your planting we also carry Westland Bulb Fire at £4.99 for 20L.

Yankee Candle — Candle of the Month

Every month we have two ranges of Yankee Candle which we offer to you at a special 25% discount off the RRP. This is a massive saving on your Yankee Candle purchases. Yankee Candles make an excellent Christmas present so start saving today.

Brundall Coffee Shop

New for October

Jacket Potato and Soup Menu

Please support you local High Street businesses particularly whilst we all adjust to a change in passing traffic due to the closure of Budgens. Your support and custom is very much appreciated by all local businesses.

Are you prepared for the dark nights?

Every year we all seem to experience the same problem. Light bulbs blowing as we start to use them more as the nights draw in.

At Brundall Home Hardware we have a vast range of light bulbs and specialist lamps. Not all of them on display. If you require a replacement bulb, just bring in your existing one and we will do our best to find a replacement.

This time of year is also a good time to consider improvements to outside lighting. Ideal for making sure your property is visible at night. It could make a real difference if you need to call upon

the emergency services. We can supply a range of external light fittings, including new LED solutions which provide excellent performance with limited running costs.

Oh! Don't forget we also sell a range of handy torches. Perfect for keeping in a pocket or handbag. Big torches as well!

Krypton Spotlight and Battery

Wrendale

As the one who worries about the purse strings at Brundall Home Hardware I am always a little concerned when it is suggested we try a new product range.

Questions like, will it sell? Will we have too much stock? These often come to mind. Good questions for a retailer to ask but in the case of our range of Wrendale products I now know I should not have been too concerned.

We have delighted in building up the Wrendale range over the past few months, to not only include stationery, but also kitchenware and household lines. There country

animal designs are very contemporary and fit well in most homes. Even individual pieces of china can make a delightful gift. The picture shows a Royal Worcester mug with the Good Hare Day design priced at £10.50. It comes in a presentation box to make it just that little bit more special. Great for a Christmas present.

You will have noticed Wrendale greetings cards on our card stands. These cards are of a high quality and feature may different designs - something for everyone.

Wrendale Christmas card packs are also now in stock.

Wrendale Good Hare Day Mug £10.50

Do you have any empty Calor Gas bottles at home that you would like to dispose of? Drop them into us and we will return them securely to Calor Gas. Free of charge.

VAT Free Dogs Dinner

We stock a range of Skinners Dog foods. A local supplier based near Eye in Suffolk. Skinners mainly supply foods for working dogs but have recently launched new products in their hypoallergenic complete dog food range. These can be purchased VAT free which means that a 1.5kg Chicken and Rice sack will cost you just £24.99. Please ask staff for more information.
