A fantastic time was had by all....

I know that the Christmas season has now passed and we are all now starting to think about what the rest of winter will bring. More importantly that spring will not be too far away. However, I just wanted to say a few words about the Christmas event held at Brundall Home Hardware.

Thank you for so many positive comments on facebook telling us how much you enjoyed the Gift of Christmas event. We even had one young visitor who came in with a very special home made thank you card. We gave this pride of place in the shop.

We were all surprised by the number of people who came along and enjoyed all of the fun on the day. Sorry if you had a bit of a queue to see Father Christmas. Hopefully all of the attractions, including the snow machine,

made the time pass quickly whilst you were waiting.

We are delighted to report that your generous donations resulted in £728.43 being donated to the Vidiyal Trust. Pat Atkinson has reported that this money will be used to support six children in India who are suffering from cancer. With no NHS in India this money will make a real difference.

Special thanks to all those who helped man the attractions on the day, those who provided the refreshments and helped with setting up. Without your help the event would not be possible. Particular thanks to Jim who has been playing a special part of this event for so many years.

Thank you to all of you who have enquired about my vicar training and offering words of encouragement.

I have now completed the first term of training with a couple of essays under my belt. The first term was a whistle stop tour of the New Testament. A bit heavy going in places but fascinating. A very knowledgeable tutor, but so much information to absorb in a very short space of time. We will shortly be starting a course on church history. I particularly like history so I have high expectations for this term.

I will also be conducting my first sermon during January. Preparation already well under way.

Save at Brundall Home Hardware

January can be a difficult time financially, after all of the expense of Christmas. You can save money in a number of ways at Brundall Home Hardware.

We are confident that you will find many of our products cheaper than you would in many of the larger garden centres and DIY stores. Not every product line but a good majority of them. You should also find our pet food prices competitive, particularly on the natural product ranges that so

many pet owners now prefer to use as food and treats for their pets.

To help your money go further we also offer a Burns Loyalty card. Buy 7 bags of your pet's favourite food and receive the 8th free of charge. On a 15kg bag that could be a saving of £51.

We also offer our own loyalty card. We stamp this every time you spend £15 or more in a single transaction. (1 stamp per day). When you have 10 stamps, your collecting card becomes a £5.00 voucher to spend with us.

Lots of ways to save money with us at Brundall Home hardware.
