

April 2017

Important Information

We will be closed on the morning of 17th May 2017 to allow for the installation of our new till system and to facilitate staff training.

We will open the shop as soon as this is completed, hopefully no later than 1pm.

We thank you for your patience and understanding as we introduce this new till system

News in Brief

- We will be closed on Good Friday, Easter Day and Bank Holiday Monday. Please accept our apologies for any inconvenience that this may cause.
- A new range of Ronseal white paints will arrive in store shortly. These products contain new paint technology and are guaranteed to stay white.

Spring Gardening

Our Spring gardening promotion will commence during April. Over 10,000 brochures will be distributed to homes in and around Brundall.

For many years now we have offered a special Spring gardening promotion delivered in conjunction with our main supplier, Home Hardware. This promotion offers great discounts on many everyday gardening, DIY and home essentials. This year is no exception with some of the offers at prices lower than last year.

So if you are looking for garden lighting, garden furniture, an unusual garden ornament or just an effective weedkiller, you need to look no further than the Garden Centre at Brundall Home Hardware.

Yankee Candle — Candle of the Month

25% Off

To get 2017 off to a good start on our Yankee Candle range we have **25% off two scents this month.**

Our Yankee Candle prices will be increasing in May. Now is the time to grab a bargain.

YANKEE CANDLE
the world's best *loved* candle™

The Garden Centre is now full of seasonal plants, composts, pots and wood treatments.

Why not take a look at our newly decorated display sheds which now sport a fresh look thanks to Ronseal Garden Paints?

By the end of April we will be receiving stocks of summer bedding and basket plants. If you would like us to make up your hanging baskets for you, just drop off your empty baskets and we will take care of everything. We will also be making up baskets for sale. So do look out for some of our colourful displays later in the Spring.

Customers frequently tell us that they have travelled miles looking for products only to find them at Brundall Home Hardware. Why not start your search with us? A wide product range at sensible prices.

Unwanted Gas Cylinders

Do you have any unwanted gas cylinders kicking around in your shed or garage?

If you do please drop them into us at Brundall Home Hardware. We will ensure that they are returned to the respective gas suppliers.

CALOR

Haberdashery

For over 10 years we have been selling a comprehensive range of haberdashery products and knitting wools.

To cope with demand we have just made the range even better. Many customers have been asking for embroidery threads so these have now been added to the products on offer. New knitting wool from Patons has also been introduced together with an enhanced range of knitting patterns.

We carry a number of unusual haberdashery items such as bra extenders and bikini buckles. Also, as you would expect, cottons, needles, and a comprehensive

range of buttons.

Nearby you will also find a stand of Dylon products which are ideal for freshening up a tired looking garment. Most of these are machine dyes which are simply placed in the washing machine with your garment and washed on a 40 degree cycle. Nice and easy!

Garden Plants

We love plants, we love buying plants and we love helping customers select the right plant for their garden.

At Brundall Home Hardware we use two, Norfolk based, plant suppliers who provide us with high quality, interesting plants at affordable prices. Throughout the planting season we will receive at least two deliveries of new stock each week. However, we do not buy any particular plant in high volumes. This means that if you see something you like, grab it while you can. We cannot guarantee that it will be still available on your next visit.

You will also notice that our plants now contain two price labels. One will be the price of the product, i.e £4.99 and the other will look something like this — 1098P. Andrew has devised that code as a way of identifying plants in our new till system.

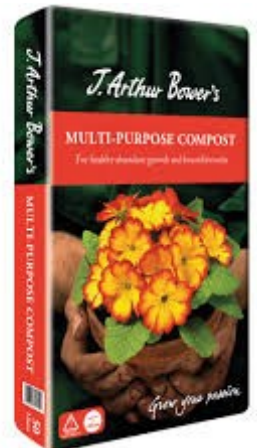

J A Bowers

Special offer on 50L Multi Purpose Compost.

£4.99 each

or

3 for £12.00

Trouble with your plumbing?

In the garden centre you will find a range of plumbing essentials. New washers, pipe fittings, valves, toilet repair solutions, plungers, guttering etc.

Andrew also has a range of corny toilet humour jokes to go with most plumbing purchases.

Helium Balloons

For many years we have stocked helium balloons, party banners and other celebration decorations. Once again we now find ourselves the only local stockiest of such products. We have a good selection of helium balloons for all occasions priced at just £3.49. We can also inflate your own balloon at a modest charge.
