

## Pet Remedy

Are you concerned about your dog or cat feeling stressed through the firework season. We have a solution in store.

Pet Remedy is a calming spray which will help you reduce the stress that your pet may experience.

## All things Christmas

Well there's no avoiding it! Christmas is now just around the corner and as the weather turns a little more wintry our minds turn towards planning for Christmas celebrations.

The highlight of our Christmas preparations at Brundall Home Hardware, as always is our "Gift of Christmas" event on the 16th December between 11am and 3pm. All the usual favourites will be back again this year, the real reindeer, Father Christmas, snow machine and silly games etc. The Rev Peter Leech and his team will also be on hand to provide seasonal refreshments. The event is offered free of charge. There's not even a charge to see Father Christmas or for the raffle.

Spending time with Father Christmas

## Four Candles - A Very Special Offer

As a tribute to Two Ronnies your local hardware store is offering a four candle (fork handle) special offer.

Buy any four Yankee Candles

and we will discount your total order by 25%.

So if you buy 4 large jars you will be saving a massive £23.99. You can buy any 4 Yankee Candle products within this offer.

Snow time fun at the 2016 event

We do accept donations to support the work of the Vidiyal Trust. A Brundall based charity which provides support to the disadvantaged in India. Your generosity over previous years have provided valuable support to the work of the Vidiyal Trust.

During November we will also be distributing our Christmas promotion catalogue. This is packed full of special offers on Christmas essentials, gift ideas, cookware and just about everything needed to help you with your Christmas preparations. Not every product will be stocked in store. However, it is easy to order in store or on-line.

Our real potted and cut Christmas trees will arrive in store towards the end of November. Always popular with many customers returning to buy their tree year after year. We do not carry huge stocks so please do call in early to reserve your tree and avoid disappointment.

YANKEE CANDLE™  
the world's best loved candle

**Free local delivery on orders over £15.00. Subject to availability and weather conditions.**

**It's now cold!**

**We're your local supplier of winter fuels, gas, coal, logs and kindling.**

**We also stock rock salt to keep your paths clear of ice.**

## Darker nights...

**The traditional electric light bulb is pretty much a thing of the past.**

I've written in this newsletter in previous editions about the changes in the law relating to traditional electric light bulbs. These are now prohibited for production and European stocks are now exhausted. This means retailers are now unable to obtain stock.

So what are the alternative? We now stock a range of LED light bulbs which are energy efficient, give bright instant light and will save you money over the lifetime of the bulb. Not sure what you need then speak to a member of staff.

In addition we keep a range of specialist bulbs in our stock rooms. Oven lamps, halogen lamps, fluorescent tubes etc. Again please speak to a member of staff. We are confident that we will be able to help you with your requirements.

With the clock now on winter time we always see a high demand for light bulbs.

**These novelty LED bulbs are ideal for Christmas or for a child's bedroom. Only £19.99**

## Planning Permission

Above the main part of the shop there is a residential flat which shares an entrance with our business at the rear of the premises. This has been unoccupied for some while and needs considerable work to return it to habitable condition. Our landlord has offered us the opportunity to use this space for storage.

We are currently seeking planning permission for a change of use on these premises which would legally enable us to use the space for this purpose. We hope to have a decision during December.

If permission is granted it will enable us to take a fresh look at the way in which we handle

additional stock, make life considerably easier for all who work at Brundall Home Hardware and hopefully enable us to stock a greater range of products.

As part of the plans we would also like to redecorate the exterior of the flat and place suitable window dressings inside. This will make the premises more visually attractive from the village centre. You can officially comment on these planning proposals by visiting Broadland District Council's website.

**AA Batteries for only £4.49**

**Faithfull Brass Combination padlock. Normally £11.99.**

**Now only £6.99.**

**See our Christmas promotion catalogue**

## Christmas Cards at Brundall Home Hardware

We have an extensive range of Christmas cards again this year with many new titles and additional styles of boxed sets. Last year many customers discovered the quality and value of our Christmas cards and we have tried to further improve upon the range this year. We are also supporting Help for Heroes with our charity cards. We very much appreciate the support that our customers give us by purchasing their Christmas cards at Brundall Home Hardware.
