Tool Sharpening Service

My new Business has grown out of growing frustration at not being able to find a convenient and economic method to keep all my tools, knives and gardening equipment sharp and ready for use. I am now able to sharpen your domestic items such as knives, pen-knives and outdoor knives. I can give a razor edge to your old chisels and plane irons, as well as garden tools like shears and scythes. You will soon discover that sharp tools are safer to use than blunt or damaged ones. Additionally it is very satisfying to be able to prolong the life of tools rather than have to replace them. I can repair damaged blades within reason back to new condition saving you money. You can deliver your items to Brundall Home Hardware, I will endeavour to have them back in the shop for you within a week, but you can contact me personally if you have any questions. razorbill.sharpening@gmail.com or search for me on Facebook . Joe Warns.

Where do you stand on the Christmas cake debate?

The country now seems to be really tied into the big debate of this generation. What will happen as a result of Brexit? However, perhaps at this time of year there is a traditional debate which takes place in many households. **When to make the Christmas cake?**

Now I 'm no baker and I am sure that I will never feature on a rather famous TV baking programme. However, even I know that some people prefer to make their cake weeks in advance so that it has time to mature, particularly with the addition of a few drops of brandy. Others prefer to leave it a little nearer to the big day.

Whatever your view we have many of the practical items that you need to bake the perfect cake. With shelves containing tins and containers of various shapes and sizes you can soon get baking. We also have cake frills, decorations, and boards. Need a rolling pin, icing tools, mixing bowls, they can all be found in store?

We also stock a range of birthday cake candles, cup cake cases, cake tin liners, grease proof paper..... The list could go on and on.

A couple of interesting baking facts...

- Did you know that it has been estimated that the sales of baking products in the UK have amounted to some £1.2bn since the Great British Bake Off started in 2010?
- Nationally the sale of baking products increase whilst the show series is being broadcast.
- Did you know that my favourite cake is Coffee and Walnut?

Quick Tips

White vinegar spray is one of those wonder products for use around the home. We are now very used to market leading brands claiming wonderful cleaning properties, but just look what this product can do:

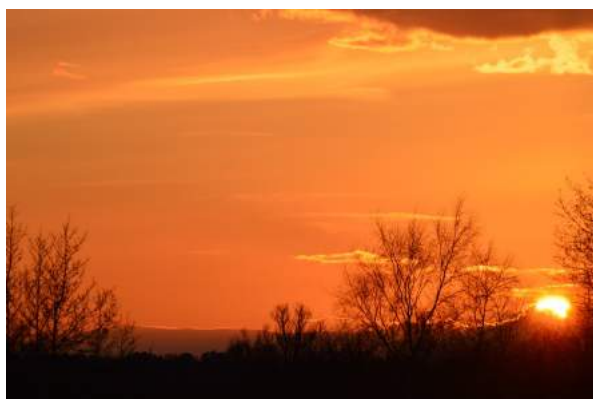

- Glass cleaner, great for the car too.
- Removes limescale deposits on shower grout, helping to stop the grout turning brown.
- Removes limescale deposits from kitchen worktops.
- Can be used to neutralise pet urine smells on carpets etc. Helps to stop pets urinating in the same spot.
- Can be used as a rinse aid in a dishwasher.
- It will help to dissolve cloudy deposits on drinking glasses. Any mineral deposits will be dissolved.

In store for only £1.65

The Garden Centre Gift Card

For the past 12 years we have been selling and accepting National Garden Gift Vouchers. In recent years the Horticultural Trades Association, of whom we are members, and who operate the scheme, have made some significant changes to the way in which the programme works. We have been early adopters of the new approach. The HTA have decided to issue a new style gift card. These can be purchased in store. We add a value to the card of your choice (we obviously ask you to pay us for doing so) and you then have a convenient gift card which you can send to friends and family. They can use this card in hundreds of garden centres throughout the country. This is an easy way to send a special gift. Gift Vouchers still available. Perfect for Christmas.

Date for your diary?

Our Gift of Christmas Event
will be held on the 22nd December 2018
between 11am and 3pm. Please see our
facebook page for more information
nearer the time.

*"Listen! The wind is rising, and the air is wild
with leaves, we have had our summer evenings,
now for October eves!" Humbert Wolfe.*

We know that many of our customers support Christmas Shoe Box appeals. This year we have specifically bought in a number of small items ideal for shoe boxes.

Autumn preparation.

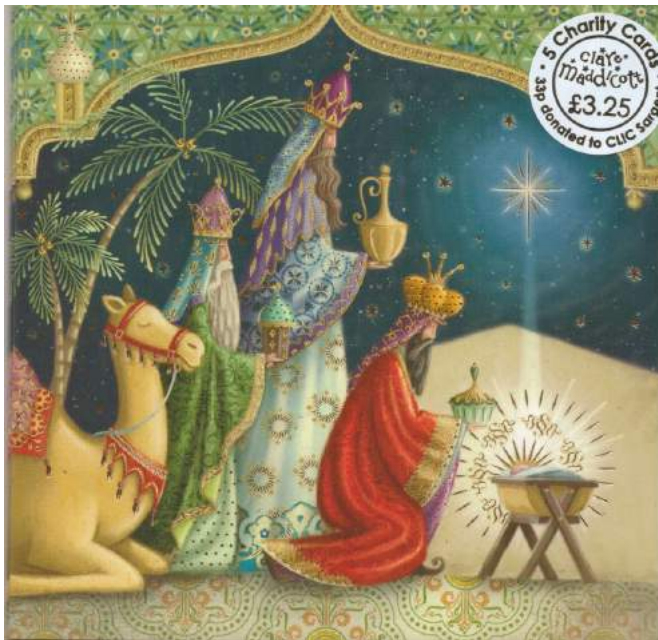

There are lots of little jobs which you can undertake during Autumn which will help you save money during the months to come.

- Clean out gutters to help prevent damp seeping indoors.
- Check for gaps in doors and window frames and insulate.
- Protect decking with a coat of Decking Oil.
- Protect garden furniture with a coat of paint or Teak Oil. Even better bring furniture inside or cover with a tarpaulin. Most protective paints and oils need to be used in temperatures above 10 degrees c.
- Insulate exposed water pipes.
- Clean and insulate greenhouses. Protect delicate plants and pots from direct contact with frost.

We have a number of products in store which will help to insulate and protect your home. *Please ask staff for help and advice.*

Charity Christmas Cards

Over the years many of our customers have bought their Christmas cards from us and we have seen an increased demand for charity cards. This year we have expanded our range of charity cards to include a new easy access display. You can now buy your cards from us whilst at the same time supporting a number of important charities including: Marie Curie, British Heart Foundation, CLIC Sargent, Help for Heroes and the RSPB. Single cards will also be on sale during October, including Brundall cards.

Key Cutting

As always September was a busy month for us for key cutting. Lots of children starting a new year at High School and parents deciding that it is now time to entrust them with a house key. We still remain one of the most cost effective key cutting services in Norwich only charging £4.25 for a cylinder key. (The price also reduces the more copies you have of the same key). Many households also opt to install a key safe. These are not just helpful for elderly relatives but can also be really helpful if one of your children loses their key and needs to gain access to the house.

2019 Diaries and Calendars now in stock.
