

Once again the time is here for the Gift of Christmas Event. A fun time for all the family to come along and enjoy all of the attractions. A visit to Father Christmas, a chance to see his real reindeer, craft activities, refreshments, games and a raffle. Everything is free of charge, including the raffle. Our little gift to the village of Brundall.

If you feel able to make a donation to support the work of the Vidiyal Trust there will be collection buckets available. Over £800 was raised last year which has assisted with cancer relief for disadvantaged children in

India. Please help support this Brundall based charity. Donations can be accepted in advance via the shop.

Please do look at our facebook page where you will find more information about the event. If you have a child requiring special arrangements please speak with Andrew.

A special way to celebrate Christmas.

Be surprised this Christmas...

We delight in welcoming new customers to the shop who frequently express their surprise about what we can pack into such a small space. This season is no exception. The shop is full of Christmas essentials such as wrapping paper, ribbon, bows and sticky tape. Lots of Christmas gift ideas for all the family. Have you seen our Christmas tools brochure for the DIY enthusiast in your life?

The Yankee Candle Loyalty Card is an essential for anyone who enjoys scented candles. We also have a range of quality Christmas trees, both potted and cut. Add to this a selection of lights and baubles and your almost set for Christmas.

Oh! Forgotten your tablecloth and napkins. No need to worry as these can also be found in store. No Christmas table is complete without crackers. Guess what? We've got that covered as well.

Over the years we have worked hard to provide a wide selection of individual and boxed set Christmas cards. We now have many customers who make us their first port of call for cards. We are grateful for the many positive comments which you make about the cards on offer. Something for every budget and many charity cards available too....

Our range of Wrendale gift ideas now includes these wonderful canvas prints for just £15.00.

Wrendale gift boxed mugs are only £11.50. They make a perfect gift. The only problem is that you will probably wish to keep it for yourself....

What would Brundall look like without local business?

The 1st of December is small business Saturday. A day when we are all asked to think about the impact that small businesses can have on our community. Just think how the life of Brundall would be affected without the many small businesses operating in the village centre and along the waterside. For small businesses survival can be quite fragile with increasing costs and competition from on-line retailers. Many on-line competitors are permitted to operate with lower costs and if we are to believe the media, in some cases with differing tax obligations. Access into our towns and villages can also be difficult with parking restrictions and increased traffic on our roads. However, small businesses do bring life to our communities. Just think how well Brundall is currently served with excellent supermarkets, medical practitioners, dry cleaning, hair-dressers, beauticians, restaurants, public houses, etc, and dare I say it a rather useful hardware store and garden centre. All of these businesses can only survive with local support and patronage. It is tough out there at the moment for everyone. However, one way of helping to keep our community thriving is to support our local businesses. You will also help to maintain local employment. For my part — I thank you all for your custom and support.

Did you know that Quality Street wrappers are compostable?

So when your sat there thinking what to do with the wrapper you can now run into the garden and pop them on the compost heap.

Christmas Fireside

One of the joys of Christmas is being able to sit indoors and enjoy a real open fire. To help with this we stock a good range of solid fuels, including house coal, smokeless fuels and kiln dried hardwood logs. Perfect for keeping you warm this winter. If you don't have an open fire why not create a similar look with a decorative real effect electric fire. These are very popular now and help to create an inviting feel to any living room. Please ask a member of staff for our fireside brochure.

Don't forget kindling, firelighters and matches!!!

Yankee Candle Loyalty Scheme

This deal is so simple... Buy Yankee Candle products in store at Brundall Home Hardware and receive free Yankee Candle gifts. Please speak to a member of staff to find out more, but we are certain that you will love this new loyalty scheme. It makes perfect sense for Christmas and there may just be a little gift waiting for?
