## Please vote for us.

In 2020 we were a finalist in Retailer of the Year Business Awards.

We are hoping that we might be considered again but we need your help. If you would like to support us you can cast your nomination on-line at the following address.

[Broadland and South Norfolk Business Awards – Broadland and South Norfolk \(southnorfolkandbroadland.gov.uk\)](https://southnorfolkandbroadland.gov.uk)

You have until 12th December to cast your vote.

# Brundall homehardware

## Its beginning to look a lot like Christmas.

I'm sure that we are all looking forward to Christmas this year particularly as we are unlikely to be affected by Covid restrictions.

At Brundall Home Hardware we have been working hard to ensure that we have all of your Christmas essentials, gift ideas and the odd luxury item.

Our Christmas cards are always popular with a wide choice of titles all at sensible prices.

We know that this has been another challenging year for all of us. We remain very grateful for all of the support we have received throughout the year.

Andrew.

### Christmas Trees

We now have our Christmas trees in stock, all supplied by our main plant supplier from just outside Diss.

We offer both cut and potted trees from the Nordmann variety which means that you should have minimal or no needle drop during the festive season. (Keep watered and away from a source of heat).

Our potted trees are either pot grown or field grown. The pot grown trees should be able to be planted out into the garden in the New Year. They offer exceptional value and versatility.

We also stock a range of natural wreaths priced at just £12.99.

## Christmas Opening Hours

Christmas Eve 8.30am to 1pm

Christmas Day and Boxing Day — Closed

Bank Holiday 27th — Closed

28th and 29th December — 8.30am to 5pm

30th December — Closed for Stocktaking

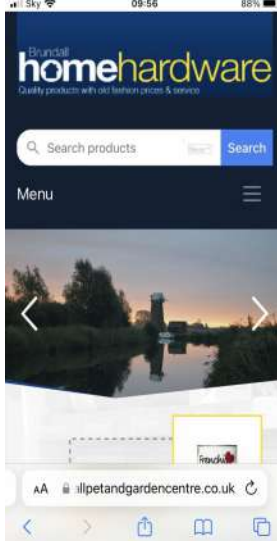

New Year's Eve—8.30am to 4pm

2nd January 2023 — Bank Holiday — Closed

Wishing all of our customers a very Happy Christmas and New Year.

Thank you for your support, custom and friendship throughout 2022.

## New Website

We have refreshed our website to help you to find out all about Brundall Home Hardware, our products and services.

There are some exciting new features. Whilst we do not sell products on-line you can use the search facility at the top of the page to search the 11,000 products we have in store. This will give you the opportunity to reserve stock and then simply call into the

shop to collect.

Throughout the year we offer a series of promotions. The site has been updated so that you can now view these promotion brochures online. Simply select the brochure you wish to browse and a flip catalogue will open on your screen. From here you can order directly from our main supplier Home Hardware and arrange for your order to be dropped in store for

collection. This gives you greater opportunity to purchase goods that we do not have the room to stock Whilst at the same time taking advantage of some great seasonal savings.

If you wish to comment on our services you will find a link to leave us a Google review. Please do leave us a review as this helps us grow our customer base.

### Revised opening hours from January.

**8.30am to 5pm  
Monday to  
Saturday.**

**Closed Bank  
Holidays.**

## Opening Hours and Stocktake.

From the beginning of January we will be closing the shop at 5pm each day.

This is not a decision we have taken lightly but in line with many other businesses and households we have had to find ways of reducing our costs.

The current economic times make it essential that businesses find ways of

remaining viable and we are confident that our many loyal customers will continue to support us during the hours of 8.30am and 5pm Monday to Saturday.

Please note that we will be closed on Friday 30th December. On this day the team and a few willing "volunteers" will be busy in the shop conducting our

stocktake. This is not a particularly enjoyable task but we hope that by closing for one of the quietest days of the year that we will be able to get ourselves ready for the New Year in an organised way.

We will be back open on New Year's Eve. Please see our Christmas opening hours on the front page.

## Postal Supplies

Have you discovered the extensive range of postal supplies we stock within our stationery department?

At this time of year so many of us are thinking about sending a parcel to distant family and friends and it is not always easy to find the right packaging materials. At Brundall Home Hardware we keep a range of products

to assist you. From the simple parcel tape through to postal boxes in various sizes. We also supply postal bags and Jiffy bags, envelopes, Sellotape, packing noodles and bubble wrap. Many of these items are not available at your local Post Offices.

Fortunately we are only a short step away from a Post

Office and we frequently assist customers who are preparing to post items.

This is not just a seasonal requirement as today many of us are dispatching items through the postal system, items sold on Ebay, Vinted or other social media platforms.

We are here to assist.....

## A shopkeeper and church minister.

It has been three years since I was made a Deacon and over two years since I became a Priest in the Church of England. I have served my time of training as what is known as a Curate and I am hoping that during December the Bishop of Theford will finally sign off my period of Curacy. This will mean that I can continue my role as an Assistant Priest in the Stalham and Smallburgh group of churches. So this could be

quite an exciting time. But the season of Advent itself is exciting as we prepare to celebrate the birth of Jesus and his resultant life and ministry amongst us. This Christmas I have the privilege of leading services during the Christmas period in churches throughout the Stalham and Smallburgh area. It will be quite busy but very rewarding welcoming congregations, visitors, families and friends to join in Christmas worship.

Yes. Some of our churches are very cold at this time of year but we will be warmed by the special nature of this season.

If you would like to know more about the Christmas story why not join a church service in one of the churches in Brundall or the surrounding villages. Just search for your local church on-line and you will find all of the information you need.

Andrew.

## Seasonal Gifts

This year we are very aware that many of us are thinking about finding real Christmas Gift bargains.

We have tried to help by ensuring that we have a range of Christmas gift ideas in store all at affordable prices. As you would expect from Brundall Home Hardware our gifts are of a good quality but at reasonable prices. We have

tried to find something to suit all family members.

We stock a wide range of products from Wrendale. A beautiful china mug in a presentation box is just £12.50. Why not consider a Wax Lyrical Reed Diffuser for £11.00. Our Yankee Candle prices have been held for the past two years—a large jar is only £23.99.

We stock a wide range of jewellery, fancy soaps, plants, garden products and tools. Many of our tool ranges are at special seasonal prices.

If you are still struggling to find a gift we both sell and accept National Garden Gift Cards.

**“National Garden Gift Cards make an ideal Christmas Present. Available in store”.**

## Home Delivery Service

We have always offered a free local home delivery service and we know that this has been invaluable to so many customers.

In recent months we have all been impacted by rising fuel costs and we now need to make a slight adjustment to our delivery service.

If you live in Brundall, Postwick, Blofield, Blofield Heath, Strumpshaw or Lingwood we will be pleased to offer free deliveries on all orders above £20.00. If your home delivery order is less than £20.00 we will make a £5.00 charge to cover the cost of this service.

If you live outside of these villages we will need to add a £5.00 delivery charge to your order.

We believe that the vast majority of our customers will continue to enjoy our free delivery service.

**“We are pleased to continue to offer a home delivery service. A small charge may apply”.**
