

## Yankee Candle Loyalty Card

We are really excited by a new opportunity offered to us and our customers by Yankee Candle.

We are now able to offer a Yankee Candle loyalty card which means that you are rewarded with free gifts when you purchase your Yankee Candle products at Brundall Home Hardware.

The scheme is very simple. You simply register with us for your Loyalty Card. When you spend £15 in a single transaction you receive a stamp. (One stamp for every £15 or multiple thereof, i.e. £15, £30 etc ). **Collect 10 stamps and you will receive free of charge a large Yankee Candle Jar of your choice from our displayed range. That 's a free gift worth £23.99.**

There 's more good news. When you register for the scheme and you spend your first £15 you will receive a gift bag containing a votive holder and two votive candles. (Our choice of scents ). Then when you collect your 5th stamp we will give you another two votive candles. **That 's a total value of free gifts worth at least £34.94.**

The scheme launches on the 1st November. This means that you have plenty of time to purchase Yankee Candles as Christmas gifts and allow yourself the chance to enjoy your free Yankee Candles.

See in store for terms and conditions—Yankee Candle reserve the right to withdraw this scheme without notice.

## American Yankee Scents

We have managed to purchase a few American Yankee Candle scents.

Yankee Candle produce different scents for different international markets. The scents destined for the US market are always popular and we have a few of these on offer here in Brundall. Limited stocks so please do call in store to find out more.

# All things Christmas.

November is quite a busy month for us as we continue to prepare the shop for Christmas. We will be starting our Christmas promotion mid November with 10,000 copies of our Christmas brochure being distributed to households as far as Acle, Cantley, Thorpe End and the villages in between. This is your chance to see the extensive range of Christmas gift ideas and everyday essentials that we can supply. We do our best to keep a wide range of the products in store. However, due to space limitations there are occasions when we need to order items on your behalf. Towards the end of the month we will be taking delivery of our range of Christmas Trees. We do our best to ensure that we offer you trees of the very best quality. Potted trees can survive from year to year if you keep them away from a source of heat and keep them well watered. A great way to decorate your home and help protect the environment by keeping a living tree. Please do check out our stock early to avoid disappointment as we only have limited stock.

Christmas wreaths will be available from the beginning of Advent. Ideal for placing on your front door or for remembering a loved one.

The shop is now filling up with a wide selection of Christmas cards, gift wrap, bows and ribbons. Postal boxes are essential for sending gifts via the Royal Mail. All available in store.

## Seasonal DIY Jobs

Some thoughts on those pre-Christmas DIY jobs.

- Paint guest room in preparation for Christmas visitors.
- Have you thought about replacing the toilet seat?
- Give the lawn it's last cut of the season and tidy up the lawn edges.
- Insulate specimen plants in the garden with bubblewrap to protect from the frost.
- Place solar lights in the greenhouse to make access easier on darker nights.
- Start a compost bin / heap.
- Put up outside Christmas lights before it gets too cold.

Don't forget to carry a torch in your pocket or handbag!!!!

## Don ' t forget the birds...

Colder weather means that food sources for birds will start to become more scarce. We stock a wide variety of bird care products from wild bird seed, suet, fat balls and bird feeders. Please also ask us about our range of feeding stations and bird tables.

You can purchase bird food from our feed bins, filling a bag with as much seed as you require. We also sell the same seed by the sack. This is kept in our stockroom and is a cheaper way to buy seed. Peanuts and sunflower hearts give birds extra energy.

Don ' t forget to put out water for the birds and to keep all feeders clean to help prevent infection in our wild bird populations.

## Date for your diary?

Our Gift of Christmas Event  
will be held on the 22nd December 2018  
between 11am and 3pm. Please see our  
facebook page for more information  
nearer the time.

*" In November , the earth is growing quiet. It is making it 's bed, a winter bed for flowers and small creatures. The bed is white and silent, and much life can hide beneath its blankets. "*  
*Cynthia Rylant.*

## National Garden Gift Card

Gift cards available  
in store.  
Any denomination.

## Wrendale Design.

One of the most popular design images of the past few years has been the diverse and exciting selection of products from Wrendale Design. These are beautiful items which attract

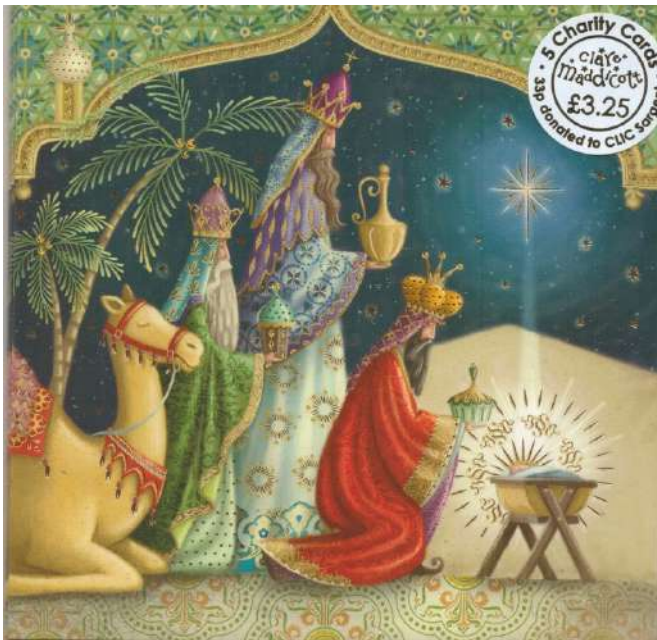

collectors from across the age divide. The designs feature on a range of fine bone china from Royal Worcester, the mugs make wonderful presents and come in a decorative presentation box ( £11.50 ).

We also stock a range of stationery and greetings cards which contain some of the most popular designs. Wrapping paper can also be found on sale.

Christmas is an ideal time to think about giving Wrendale as a perfect gift. The recipient will know that you have selected something special for them.

## Charity Christmas Cards

## Payment Processing

One of the costs of running a business is the payment of bank charges and card processing fees. These fees have changed over time and it is now more cost effective for us to accept debit card payment rather than cash. We are happy to accept card payment for any transaction of £1.00 or more. We are obviously still happy to accept cash payment.

## Ready for the leaf fall...

The late autumn means that we have yet to enjoy the delights of the leaf fall. This will come with the full force of blustery days over the coming weeks. We can help with the tidying up with a range of leaf grabbers, rakes and garden tidy bags. Tarpaulins and gardening gloves are also very handy for this task.

Leaf waste can be mulched down in plastic bags and used as a soil dressing in the future. An ideal way to reuse natural garden waste. It also saves money on fertilisers in the future. Our garden rubble sacks are reusable too.....

## Tool Sharpening Service

Drop your tools off in store and we will arrange for them to be sharpened and in store ready for collection within 7 days.
